Bringing bathrooms to life

introducing Con-Serv

Versatile. Enduring. Inspiring.

Open your eyes to a world of water saving sophistication with Con-Serv products that offer intrinsic quality born of over 30 years experience in water conservation and design. Skills combined with innovative techniques and leading designs establish the enduring character for which Con-Serv is known. There is no substitute for the reliable performance or the authentic beauty of our lustre finishes that are remarkably resistant to scratching, corrosion and tarnishing. Con-Serv specialises in the design, manufacture and supply of bathroom, healthcare and plumbing products for domestic and commercial environments.

Saving Australia's Water

All Con-Serv handheld showers are 3 Star - 9 L/min rated under the Water Efficiency Labelling and Standards (WELS) Scheme as per licence number 0046.

Our Promise

Con-Serv Corporation Australia Pty Ltd warrants all products to be free from manufacturing defects for 5 years from date of purchase. Con-Serv will repair or replace defective items if defects occur in normal use. Con-Serv will not be liable for defects arising through normal wear and tear. Item(s) must be returned with proof of purchase to Con-Serv at 17 Glentanna Street, Kedron, Queensland 4031. We will attend to your warranty claim after we make appropriate investigations. Contact our Service Manager during normal office hours on 1300 467 322 or at our email address of warranty@con-serv.com.au. If a warranty claim is accepted, Con-Serv will bear the reasonable costs of the return of the defective item(s) to us. A claim for expenses associated with making a claim for a defective product must be in writing and submitted to us with copies of supporting documents. The benefits given under our warranty are in addition to other rights and remedies of the customer under a law in relation to goods and services to which this warranty relates. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or a refund for a major failure and compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Handheld showers

A soothing water odyssey is yours with Con-Serv handheld showers. Minimalist beauty and high performance come together to create a variety of contemporary showers offering total rejuvenation while utilising the best in water conservation technology.

Mix and match Con-Serv showering components to create your customised showering environment. Choose from slide rails with easy to adjust friction sliders that accommodate various heights to wall mounting brackets that provide dual check back flow prevention. Select your handpiece from our Breeze Pulsator, Champagne Pulsator, Heritage, Streamjet™, Streamjet XL, Streamjet Turbo or Princess handheld showers which are all 3 Star - 9 L/min rated as per WELS licence number 0046.

Rain Maker showers

The Rain Maker collection offers both striking geometric forms and traditional shower designs featuring the best in water conservation technology. Mix and match with our extensive selection of shower arms to create your personalised showering environment. All Rain Maker showers offer a full body spray and are 3 Star - 9 L/min and 2 Star - 12 L/min rated as per WELS licence number 0046.

Overhead showers

Con-Serv has perfected water saving technology to provide you with its diverse collection of overhead showers. From trendy minimalist designs to vandal proof functionality the range offers an extensive selection of arms. The CLICKLOCK™ arm as shown on page 17 was developed from Con-Serv's unique adjustment technology to ensure the stable positioning of your shower. Select your overhead shower from Breeze Pulsator, Streamjet™, Streamjet XL, Zodiac, Grenada or Eclipse which are all 3 Star - 9 L/min rated as per WELS licence number 0046.
